To be Sold by Mail Auction
to the Highest Bidder Without Reserve
Monday, August 23, 1926, by

M. H. BOLENDER
Orangeville, Illinois

To Collectors:—Here is a sale with all kinds of numismatic material, some for the beginner collector and some for the advanced. Look over the list carefully so you do not miss what you want. It will pay you.

Please forward your bids promptly as there is little time left before the sale. First bids received also have the preference in case of a tie.

My classifications and descriptions are based on knowledge gained through 15 years of earnest dealing in coins. I have endeavored to refrain from over-rating the quality of a lot, which is so common. I believe that the word "RARE" should not be over-worked.

Please remember my strong guarantee. If goods are not satisfactory (you are to be the judge), you are at liberty to return them without any danger of offending.

No commission charged for faithfully executing your bids.

New bidders should send references or a deposit of at least 25 per cent of bids.

Coins will be bought as much below your bids as possible as this is competitive bidding carried out in good faith.

If you do not know how much to bid on any item, write me and I shall be glad to inform you as to value.
